

*Tilling the ground with Prayer*

Commented [JM1]:

This weekend our parish is launching “Tilling the ground with Prayer” We can think of our prayers as the rain, fertilizer and hoeing the soil needs, to become fertile ground.

In a vision to St. Maria Faustina Kowalska in 1935, the Lord Jesus revealed powerful messages to this unknown cloistered sister in Poland. He directed her to keep a diary. In the Diary we learn that Jesus revealed that the holiest hour of the day is 3 o'clock. Fr. Jamie will be passing prayer cards out, as an aid to help us to cover the hour from 3 - 4 PM with prayer.
